

Moving into Clifton Hill House

We are looking forward to welcoming you to Clifton Hill House. Please read on for everything you need to know about arrivals and share this information with anyone who will be bringing you.

Arrivals day

The official arrivals day is Sunday September 17 between 10.00-18.00. Please check in at Clifton Hill House. Your Welcome Week will begin on that day. You will need to book an arrival time via your online induction, sent soon after accepting your offer.

Students and staff will help you settle in. Arrivals weekend is a very busy time for everyone so unless it is an absolute emergency please save any queries about your accommodation for welcome meetings. Many of our residences have very little or no parking so please do your utmost to stick to your arrivals slot

Early or late arrivals

The earliest moving in date is Tuesday September 12. You must book an early arrival via your online induction. There will be a charge for all nights prior to September 15. Please note that some residential services or facilities including catering will not be available prior to your official arrivals day. Late arrivals can also be booked via the online induction.

Traffic information

Like many major cities Bristol is subject to roadworks throughout the summer and this year is likely to be especially difficult because of alterations to the City Centre and the Bristol half Marathon on Sunday 17th. You are advised to check the [BBC local road information](#) prior to travelling.
