Global Transfer Programme
The University of Bristol and Jilin University are very fortunate to enjoy a long history of collaboration.

As mutual friends, we work together on ambitious research, finding answers to the global challenges that we all face in society today.

We are very proud to launch our Global Transfer Programme with Jilin University in Chemistry, providing you with the opportunity to transfer your study to Bristol.

Bristol is a successful and ambitious university, offering you the chance to learn from and with some of the leading scholars in the world.

Here, you can benefit from a research-rich environment that combines a dynamic approach to learning with innovation.

As the Dean of our Faculty of Science, I warmly invite you to apply to our programme. Good luck with your application, and I very much look forward to welcoming you to Bristol in the future.

Professor Jens Marklof
Dean, Faculty of Science

7  Study Plan
The University of Bristol (UOB) and Jilin University (JLU) are delighted to launch our Global Transfer Programme. This exclusive programme allows talented students from JLU to transfer their credit and complete their study in Bristol.

Who should apply?
The programme is suitable for ambitious, motivated and determined students that plan to become global citizens.

Transfer pathways

<table>
<thead>
<tr>
<th>JLU Degree</th>
<th>UOB Degree</th>
<th>Time at JLU</th>
<th>Time at Bristol</th>
</tr>
</thead>
<tbody>
<tr>
<td>Bachelor of Chemistry</td>
<td>BSc Chemistry</td>
<td>2 years</td>
<td>2 years</td>
</tr>
</tbody>
</table>

This pathway will be known as the UOB-JLU 2+2 Global Transfer Programme (Chemistry). After completing the programme, you will receive a Bachelor’s Degree from both Jilin University and the University of Bristol.

Key contacts
If you have any questions regarding the programme, please contact either:

Jilin University – Partnership Coordinator
Ms Shuang HE, Secretary of Foreign Affairs, College of Chemistry
Email: heshuang@jlu.edu.cn

University of Bristol – Partnership Coordinator
Michael Benson, International Partnerships Manager
Email: international-partnerships@bristol.ac.uk

WeChat support
You can also join our WeChat group to talk directly with staff regarding the programme:
Application Details

Entry requirements
75% average at Jilin University.

IELTS 6.5 overall, minimum 6.0 in all bands.

Application dates
Applications open: Tuesday, 1 January 2019.
Applications close: Friday, 29 March 2019.

To submit your application:

1. Contact the JLU Partnership Coordinator to register your interest.
2. Once you have received approval from JLU, submit your application on our website.

Tuition fee
The University of Bristol is delighted to offer an exclusive scholarship to all Jilin University students applying to this programme. The UOB-JLU Partner Scholarship will reduce your tuition fee by 10%. This means your tuition fee will cost £20,070 per year.

You don’t need to apply for the UOB-JLU Partner Scholarship, it will be automatically applied to your tuition fee amount.

Other scholarships
We understand that the cost of studying overseas can be a barrier. We want to welcome the brightest minds to our campus, for that reason you can also apply for the following scholarships:

<table>
<thead>
<tr>
<th>Scholarship name</th>
<th>Award amount</th>
<th>Application deadline</th>
</tr>
</thead>
<tbody>
<tr>
<td>Think Big Undergraduate Scholarship</td>
<td>Between 25% and 100% of your tuition</td>
<td>Sunday, 30 June 2019</td>
</tr>
</tbody>
</table>

You can only receive a maximum of 1 scholarship, if you are selected for more than 1 scholarship, you will receive the larger scholarship. To apply visit our website: http://bristol.ac.uk/international/fees-finance/scholarships/
Accommodation
As a student applying to the UOB-JLU 2+2 Global Transfer Programme (Chemistry), you are guaranteed university accommodation for your first year of study.

In order to qualify for this guarantee, you must apply for accommodation by 30 June 2019. In total there are 25 different residences that you can choose from. When you apply for accommodation you will be asked to choose your preferred three residences.

You can find a full list of our residences on our website: http://www.bristol.ac.uk/accommodation/undergraduate/residences/

The University of Bristol is an open and inclusive place. We consider many factors when allocating students to rooms, such as:

1. Catered or self-catered
2. Room type
3. LGBTQ+ students
4. Single-sex accommodation
5. Alcohol-free accommodation
6. Kosher accommodation
7. Mature students

When you apply let us know your preferences. For more information please visit our website: http://www.bristol.ac.uk/accommodation/undergraduate/choosing/

IELTS
You do not need to have reached our IELTS English language requirements by the time you apply to the programme. However, you must have evidence of meeting our IELTS requirements by the time you apply for your visa.

Visa
To study in the UK you must apply for a student visa, what is formally known as a Tier 4 Student Visa. You can only apply for your visa from July. We recommend that you submit your visa application at the latest by mid-August. For more guidance on the Tier 4 application process please visit our website: http://www.bristol.ac.uk/directory/visas/tier-4/

Checklist
As an international student you need to take some extra steps before you begin your studies with us. Please visit the following pages on our website to prepare for your arrival:

- Undergraduate checklist
- Information for new international students
Study Plan

Units at Jilin
To transfer to the University of Bristol you must study the Physical Chemistry unit at Jilin University. This unit is available in our second year, to discuss registering for this unit at Jilin University please contact your Partnership Coordinator.

Units at Bristol
At the University of Bristol you need to study enough units to obtain 120 credits every year. Each of our units are worth normally around 20 credits, with longer units like your final project worth more. The following units are available to you while at Bristol:

Year 2 at UOB
In Year 2 you will need to study 4 mandatory units, worth 120 credits:

<table>
<thead>
<tr>
<th>Unit name</th>
<th>Unit ID</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>Intermediate Inorganic &amp; Materials Chemistry</td>
<td>CHEM20170</td>
<td>30</td>
</tr>
<tr>
<td>Intermediate Organic &amp; Biological Chemistry</td>
<td>CHEM20180</td>
<td>30</td>
</tr>
<tr>
<td>Intermediate Physical and Theoretical Chemistry</td>
<td>CHEM20190</td>
<td>30</td>
</tr>
<tr>
<td>Intermediate Practical and Analytical Chemistry</td>
<td>CHEM20480</td>
<td>30</td>
</tr>
</tbody>
</table>

Year 3 at UOB
In Year 3 you will need to study 4 mandatory units, worth 80 credits:

<table>
<thead>
<tr>
<th>Unit name</th>
<th>Unit ID</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>Advanced Inorganic Chemistry for Chemists</td>
<td>CHEM30019</td>
<td>20</td>
</tr>
<tr>
<td>Advanced Organic &amp; Biological Chemistry</td>
<td>CHEM30011</td>
<td>20</td>
</tr>
<tr>
<td>Advanced Physical &amp; Theoretical Chemistry</td>
<td>CHEM30006</td>
<td>20</td>
</tr>
<tr>
<td>Advanced Computational &amp; Interdisciplinary Chemistry</td>
<td>CHEM30018</td>
<td>20</td>
</tr>
</tbody>
</table>

This means you will have 40 credits remaining to use across the following 2 optional units. These units have been selected based off your prior study at JLU:
<table>
<thead>
<tr>
<th>Unit name</th>
<th>Unit ID</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>Advanced Practical Chemistry (Teaching Laboratory)</td>
<td>CHEM30005</td>
<td>40</td>
</tr>
<tr>
<td>Advanced Chemistry Project</td>
<td>CHEM30004</td>
<td>40</td>
</tr>
</tbody>
</table>
