MASOP
Management Accounting as Social and Organizational Practice

12th Workshop in Bristol, 25-26 April, 2019

We are pleased to announce the Twelfth Workshop on Management Accounting as Social and Organizational Practice (MASOP), to be held from 25 April to 26 April 2019 at the University of Bristol. The aim of the workshop is to bring together scholars in the field of management accounting and control who share an interest in understanding the social and organizational antecedents and effects of management accounting practice.

As in previous years, the workshop seeks to develop participants’ research through critical discussion and to provide a forum for debate of emerging ideas and developments in practice and research. The workshop will feature 12 paper presentations (45 minutes each) and one plenary session. It is limited to 40 participants. Participants other than those presenting a paper are accepted on a first come-first served basis. The deadline for registration is March 21, 2019.

Submission of papers:

The deadline for submission of full papers is January 31, 2019. Please include names and email addresses of all authors on submitted papers. Papers will be reviewed and notification of acceptance (or otherwise) will be given by the end of February. Preference will be given to papers that relate closely to the theme of the workshop. We aim to create a balanced overall program, in terms of different theories/methodologies and a mix between emerging and more established scholars.
