

# Cabot Institute/CREDIBLE Summer School 2014

## Risk and uncertainty in natural hazards

Monday 7 – Friday 11 July 2014

---

This popular school will provide advanced training in risk and uncertainty in natural hazards from the Cabot Institute's leading academics plus some special guest lecturers. The school is open to postgraduates, early career researchers and scientists from industry and government agencies. Students £300, non-students £500. Apply online.

Speakers: Prof Thorsten Wagener, Prof Willy Aspinall, Prof David Stephenson, Dr Jonty Rougier and Prof Keith Beven.

Venue: Engineers House, The Promenade, Bristol, BS8 3NB
