An international community
The University of Bristol is friendly, exciting and diverse, with one in four of our students coming from outside the UK. More than 200 students from India study here, and we would love for you to join us.

A world of opportunities
International societies are a great way to meet like-minded friends and share your culture with others. Our student clubs include the Asian Society; Indian, Punjabi and Tamil societies; Hindu Society; and over 400 more for different interests and hobbies.

A diverse city
The city of Bristol is home to people from 187 countries, speaking 91 languages. Indian food is widely available at supermarkets, specialist shops and restaurants. A friendly, safe city with historic and quirky British culture, Bristol offers an amazing student experience.

Inspirational alumni

Different courses need different English language levels; specific requirements are listed on individual course pages online. We will require proof of your English language ability when you apply.

We understand that the majority of candidates from India have been taught in English throughout their education. For undergraduate applicants, CBSE or CISCE English at 70-80% or above can be accepted in lieu of another English test such as IELTS. For postgraduate applicants, many departments will accept CBSE or CISCE English at 80% or above in lieu of another English test, with an MOI letter confirming that English is the teaching language of your institution.

Scholarships
In addition to University of Bristol scholarships, Indian students can apply for Chevening Scholarships. Other opportunities have previously included the Zutshi-Smith Scholarship for PhD students. For the latest information, please visit bristol.ac.uk/international-scholarships.
