Welcome, students from Indonesia

An international community

The University of Bristol is friendly, exciting and diverse, with one in four of our students coming from outside the UK. Around 50 students from Indonesia study here, and we would love for you to join us.

A world of opportunities

You can celebrate cultural events, share experiences and connect with students from around the world at the Global Lounge. Societies are another great way to meet like-minded friends and share your culture with others. Our student clubs include the Indonesian Society and over 400 more for different interests.

A diverse city

Bristol is a friendly, safe city with a rich history and distinctive culture. The city is truly multicultural, home to people from 187 countries, speaking 91 languages. There is a range of shops and restaurants where Indonesian and other Southeast Asian food is available.

Inspirational alumni

Our international alumni network includes nearly 200 students from or living in Indonesia, who are employed at organisations including the Ministry of Finance and Sucorinvest Asset Management.
