

Welcome, students from Norway

An international community

The University of Bristol is friendly, exciting and diverse, with one in four of our students coming from outside the UK. Many students from Norway study here, and we would love for you to join us.

A world of opportunities

You can celebrate cultural events, share experiences and connect with students from around the world at the Global Lounge. Societies are another great way to meet like-minded friends and share your culture with others. Our student clubs include the Nordic Society and over 400 more for different interests.

A diverse city

Bristol is a friendly, safe city with a rich history and distinctive culture. The city is truly multicultural, home to people from 187 nationalities, speaking 91 languages.

Inspirational alumni

Our international alumni network includes nearly 300 students from or living in Norway, who are employed at organisations including Norconsult and the City Council of Oslo.

'I quickly realised that the University not only had an excellent academic reputation, but also exactly what I wanted in an academic course. I got new challenges every day, but never felt like I was working alone.'
