Welcome, students from Pakistan

Founded in 1876, the University of Bristol has an international reputation for high-quality education and research.

Wide-ranging expertise
Bristol is home to 6 faculties, made up of 29 academic schools and departments. We offer more than 600 undergraduate and postgraduate courses across a comprehensive range of subjects.

An international community
Bristol is home to nearly 30,000 undergraduates and postgraduates, with around one in four of our students coming from outside the UK.

Around 30 students from Pakistan currently study here, and we would love for you to join us.

A diverse city
Bristol is a friendly, safe city with a rich history and distinctive culture. The city is truly multicultural, home to people from 187 countries, speaking 91 languages. There is a range of shops and restaurants where South Asian food is available.

A world of opportunities
You can celebrate cultural events, share experiences and connect with students from around the world at the Global Lounge.

Societies are another great way to meet like-minded friends and share your culture with others. Our student clubs include the Pakistan Society and over 400 more for different interests and hobbies.

Inspirational alumni
Our international alumni network includes more than 230 students from or living in Pakistan, who are employed at organisations including Getz Pharma, GlaxoSmithKline, Shell, and the National University of Sciences and Technology.

‘If you value being in a diverse and inclusive environment, experiencing the exciting pace of a city campus, and being part of a collaborative student body, Bristol is the right fit. The city is fast-paced with great student nightlife, but there is also a lot of scenic and natural beauty to enjoy.’
