# Welcome, students from Singapore

## An international community

The University of Bristol is friendly, exciting and diverse, with one in four of our students coming from outside the UK. More than 180 students from Singapore study here, and we would love for you to join us.

## A world of opportunities

You can celebrate cultural events, share experiences and connect with students from around the world at the Global Lounge. Societies are another great way to meet like-minded friends and share your culture with others. Our student clubs include the Malaysian and Singaporean Students' Association and over 400 more for different interests.

## A diverse city

Bristol is a friendly, safe city with a rich history and distinctive culture. The city is truly multicultural, home to people from 187 countries, speaking 91 languages. There is a range of shops and restaurants where Singaporean and other Southeast Asian food is available.

## Inspirational alumni

Our international alumni network includes more than 1,000 students from or living in Singapore, who are employed at organisations including the Ministry of Foreign Affairs, National Dental Centre, Mother Tongue Singapore Translation, DBS Bank, and legal firms including WongPartnership LLP and Allen & Gledhill LLP.

'Bristol is a vibrant city with events always happening. I like the edgy Stokes Croft area and enjoying a coffee at the harbourside. Bristol Law School is very well-regarded, and graduates are sought after.'
