Bristol is home to 6 faculties, made up of 29 academic schools and departments. We offer more than 600 undergraduate and postgraduate courses across a comprehensive range of subjects.

An international community
Bristol is home to nearly 30,000 undergraduates and postgraduates, with around one in four of our students coming from outside the UK.

Around 100 students from Thailand currently study here, and we would love for you to join us.

A diverse city
Bristol is a friendly, safe city with a rich history and distinctive culture. The city is truly multicultural, home to people from 187 countries, speaking 91 languages. There is a range of shops and restaurants where Thai and other Southeast Asian food is available.

A world of opportunities
You can celebrate cultural events, share experiences and connect with students from around the world at the Global Lounge.

Societies are another great way to meet like-minded friends and share your culture with others. Our student clubs include the Thai Society and over 400 more for different interests and hobbies.

Inspirational alumni
Our international alumni network includes more than 700 students from or living in Thailand, who are employed at organisations including the National Electronics and Computer Technology Center (NECTEC), PTT, the Thai Government, The Quant Group and Honda.

'I chose Bristol because of the feel of the city. The city centre and parks are so close to each other, so you get the best of both worlds. Through the Thai Society, I have got to know many new people, helping me settle in.'
