About the open day

There is plenty to see right across the University. You’ll be able to learn more about our courses, visit our accommodation and view facilities, and speak to the people who understand best what studying at Bristol is like: our students.

Talks, tours and displays (from p14)
If you have booked to attend a welcome or subject talk, the time and location is listed on your booking letter. You can also browse subject displays throughout the day, where you can talk to staff and students in more detail about courses you’re interested in. Further information on talks, tours and displays can be found on pages 14 to 23. Information for veterinary subjects is on pages 24 to 25.

Open day exhibition (pp6-7)
Our open day exhibition (26) lets you explore all University services, from funding to sport and health, in one place. You can also pick up a copy of our 2018 undergraduate prospectus here.

Visit our accommodation (pp4-5)
Many of our student residences will be open for you to visit. You can also speak to our Accommodation Office staff at the open day exhibition (26).

Tyndall Avenue
A number of University buildings along Tyndall Avenue are open for you to look around and speak to staff: the Centre for Sport, Exercise and Health (42), Bristol SU lettings agency, the Careers Service (41), and the Arts and Social Sciences library (40). A number of our other libraries and study spaces are open; look for the symbol on our campus map (p12).

Students’ Union, Richmond Building
Bristol SU is run by students for students. The Richmond Building, where Bristol SU is based, features two bars, legendary gig venue the Anson Rooms, a radio station, activity rooms and more. Bristol SU looks out for your best interests, representing you to the University and the Bristol community. Come and take a look around the Richmond Building (80), discover what some of the 500 student societies and sports clubs have to offer, and speak to the SU’s elected student reps about what it’s like to study at Bristol (pp6-7).

Refreshments
You can purchase refreshments at a number of outlets across the University including delicious street food at our City in our Garden event (A). Look for the (C) on the map on page 12.

Safety and first aid
If you need first aid assistance, staff will be on hand in the anteroom at the Hawthorns, Woodland Road (44). In an emergency, you can contact University security on 0117 331 1223. Staff will also be available to assist at the main registration point and in all areas of the University that are open during the day.

Please go to the main registration point if you lose any possessions or get separated from anyone in your party. For security reasons, we are unable to store luggage at any University buildings during the day.

Exploring the campus
Most University buildings are on public roads, which are open to traffic as normal. With large numbers of visitors attending, pavements may become crowded so please take care.

We are continually investing in our facilities to offer you the best student experience. As a result of this, significant renovations and building works are taking place on campus. Please take extra care and be aware that some of the buildings where teaching would normally take place may not be open for this reason.
