**Assessor Statement - Mandatory:**

I confirm I have reviewed the University of Bristol assessor guidance material. **Please sign or state Yes.**

**Assessors please consider individual domains below and feed back according to the following anchor statements:**

- **Performs at level expected** indicates the student is procedurally competent and safe, and has demonstrated at least the minimal level of competence required for commencement of FY1.
- **Not yet performing at level expected** means that you do not feel student has reached a standard that will allow him or her to function as an FY1, in particular if you feel they have demonstrated behaviour that could potentially compromise patient safety.

**Medical record Keeping**

Legible; signed; dated; appropriate to the problem; understandable in relation to and in sequence with other entries; helps the next clinician give effective and appropriate care.

- Not yet performing at level expected
- Performs at level expected

**Comments:**

**Clinical Assessment**

Understood the patient's story; made appropriate clinical assessment based history and examination findings.

- Not yet performing at level expected
- Performs at level expected

**Comments:**

**Investigation planning**

Discusses the rationale for the investigations and necessary referrals; understands why diagnostic studies were ordered or performed, including the risks and benefits in relation to the differential diagnosis.

- Not yet performing at level expected
- Performs at level expected

**Comments:**

**Management planning**

Discusses the rationale for the treatment, including the risks and benefits.

- Not yet performing at level expected
- Performs at level expected

**Comments:**

## Professionalism

Discusses how the care of this patient, as recorded, demonstrated respect, compassion, empathy and established trust; discusses how the patient's needs for comfort, respect, confidentiality were addressed; has insight into own limitations.

- Not yet performing at level expected
- Performs at level expected

### Comments:

## Global opinion of clinical competence:

**Consider overall judgement, synthesis, effectiveness and efficiency.**

- Not yet performing at level expected
- Performs at level expected

### Comments:

## Assessor feedback on the behaviour observed

### Areas performed well:

### Suggestions for development:

Must include feedback related to any domain marked "not yet performing at level expected"

### Agreed Action:

Agreed action, specifically where and how work is required to address any cause for concern:

**Thank you for acting as an assessor.** Please enter your name and email address when this form is submitted. You will receive a link to a record of this assessment.
