Year 5 GP Teacher Workshop

Tuesday 17th May, Engineers' Hse, Clifton, Bristol

We will start off by sharing our experiences of the new Year 5 teaching in Primary Care. Stephen Greenwood will then guide us through the topics of mentoring and supervision. He is one of the original creators of the TLHP (Teaching and Learning for Health Professionals) Masters course at Bristol Uni.

In the afternoon we will explore how we teach 'multimorbidities' and other PPP topics. Here is your chance to help shape the learning objectives for the Primary Care attachments in next year's PPP course. Come and join us for an interesting day. Book your place by emailing phc-teaching@bristol.ac.uk

'Bodies' needed! Do you know of anyone who might be interested in helping out as a 'patient' for the student medical exams? This would involve being examined (chest, limbs, head, BP etc). No need to learn a role/script. We just need your body! Minimum of 4 and a maximum of 8 hours. There is a fee of £10 per hour.

Dr Sian Johnson is now Dr Sian Goodson

After 6 years of marriage having two names has proven too confusing. I am changing to a new practice this month and have taken the opportunity to change my professional name to my married one. New email address is sian.goodson@bristol.ac.uk
Any emails to the old address will still get through.
