The champagne reception was kindly funded by Bob; and as the bubbles and banter were beginning to pick up, we were served canapés and did indeed enjoy a few drinks...

However, funding is her biggest challenge and it is, however, her sponsors and supporters who help to make that happen.

As I looked more closely, I realised this wasn’t an exclusive invite for me but a gathering of UBRFC Alumni big and small. I was not alone in trying to break into the world of Skiing.

Kate Parrish joined a mainly UWE Quad and raced in the main draw on the Wednesday but lost to Durham.

Anna Turney was one of the ‘main’ girls at UBRFC. She represented England in 1989 and 1990, and later represented Gloucestershire in 1997.

In 2006 Anna broke her back snowboard racing, pushing herself at what she loved most. Determined not to be deterred, Anna decided to become a Paralympic Ski Racer. After just 3 years of training, Anna came 6th in the 2010 Vancouver Paralympics.

Defeated, Anna decided to become a Paralympic Ski Racer. After just 3 years of training, Anna came 6th in the 2010 Vancouver Paralympics.

Anna’s quest to represent Great Britain or to find out about sponsorship opportunities.

---

Despite arguably being one of the more understated clubs at the university, the squash club is one of the most successful and competitive clubs. The club has produced players who have gone on to represent the country at all levels, including the World Championships, Commonwealth Games, and the Olympics.

The 2013/14 season brings plenty of change to the squash club, with the Men's 4th team playing BUCS and the Women's 1st team playing BUCS. The Men's 2nd team is playing the Inter-University Championships, and the Women's 2nd teams reached their respective cup finals in 2011/12, with the club as a whole finishing 3rd nationally.

Like us on our Facebook page to keep regularly updated on the latest developments with the squash club.
