Insight into Bristol 2021

An opportunity for students in year 12 to experience life at the University of Bristol

Successful applicants will participate in a two part programme, comprising a face-to-face and online summer school. They will get involved in academic taster sessions and gain an insight into university life.

Completion of Insight into Bristol guarantees you a contextual offer or an interview from the University of Bristol, as long as you meet the entry requirements for your degree course.

Summer school dates
Online summer school
week of 19th July

Residential summer school
week of 26th July*

*TBC dependent on Covid-19 restrictions
