Fee status questionnaire

Publicly funded UK universities charge two levels of tuition fees: these are typically referred to as 'home' and 'overseas'. Students who are considered 'overseas' for fee purposes are liable to pay the full cost of their tuition fees, whereas those who are classed as 'home' are eligible to pay a lower rate. The level of fee you pay is dependent on meeting the residency and immigration requirements specified in the Government’s fees regulations. If we find you are eligible to pay home fees, we must charge you the lower level.

The UK Government sets the regulations for fee status classification, but each university makes its own assessment based on these regulations; if you have applied to more than one institution, they may make a different decision regarding your fee status.

Information about tuition fees at the University of Bristol is available online at http://www.bristol.ac.uk/study/undergraduate/fees-funding/ and http://www.bristol.ac.uk/study/postgraduate/fees-and-funding/

For information and guidance on fee status regulations in England, please visit the UKCISA website: https://www.ukcisa.org.uk/Information--Advice/Fees-and-Money/England-fee-status

Please complete and return this questionnaire to us, with relevant supporting evidence, within four weeks, or let us know if there will be a delay in sending us your response. We will let you know the outcome of our assessment as soon as possible.

Failure to supply relevant evidence may delay the final decision or lead to an incorrect fee status decision. Appeals to any decisions will be managed within the Universities Applicant appeals, complaints and feedback policy: http://www.bristol.ac.uk/study/undergraduate/after-you-apply/policies/
