

UCAS course name and code	CAH3 Code (for your ATAS application)
(F303) MSci Physics	CAH07-01-01
(F304) MSci Physics with study in Continental Europe	CAH07-01-01
(F306) MSci Physics with Innovation	CAH07-01-01
(F307) MSci Physics with International Experience	CAH07-01-01
(F3FM) MSci Physics with Astrophysics	CAH07-01-01
(FVH5) MSci Joint Honours Physics and Philosophy	CAH07-01-01
(F340) MSci Theoretical Physics	CAH07-01-01
(F322) MSci Chemical Physics	CAH07-01-01
(F323) MSci Chemical Physics with Industrial Experience	CAH07-01-01
(GFC3) MSci Mathematics and Physics	CAH07-01-01
(H410) MEng Aerospace Engineering	CAH10-01-04
(H401) MEng Aerospace Engineering with Study in Continental Europe	CAH10-01-04
(H360) MEng Mechanical and Electrical Engineering	CAH10-01-02
(H300) MEng Mechanical Engineering	CAH10-01-02
(H301) MEng Mechanical Engineering with study in continental Europe	CAH10-01-02
(F131) MSci Chemistry with Scientific Computing	CAH07-02-01
(F331) MSci Physics with Scientific Computing	CAH07-01-01
(F334) MSci Physics with Scientific Computing with Industrial Experience	CAH07-01-01
(F305) MSci Physics with Industrial Experience	CAH07-01-01
