Discover Bristol

Attend a ‘Welcome to Bristol’ talk
You will hear all about the possibilities available to you at Bristol, and learn more about the University and student life in our city.

Tour our campus
We’re proud of the top quality facilities we offer within our Clifton campus. Take a tour with a current student and find out first-hand about their experiences of studying at Bristol.

Browse our exhibition
You’ll have the opportunity to visit our exhibition stands where you can find out more information and meet staff from several different teams, such as Accommodation, Admissions and Student Funding.

Visit our student accommodation
We have accommodation to suit any need, from Georgian townhouses to slick city-centre living, each with a network of support staff. Four residences are open for you to tour so that you can picture what living in halls might be like.

Get a personal insight
We want to help you gain a strong impression of what your life could be like if you join us at Bristol. Take the opportunity to talk to current students and ask staff from each of our faculties your particular questions – you might even meet your future classmates.

Spend some time in our city
Our main campus is based in the heart of the city among the leafy parks and Georgian splendour of Clifton, just moments from Bristol’s many museums, shops and colourful harbourside.
