1 MAGG Terms of Reference
RECEIVED for APPROVAL: (paper ref: MAGG/18-19/001)

1.1 The committee DISCUSSED its Terms of Reference and made the following comments:
   • It would be important to cross check to ensure that individual committee terms of reference were fully aligned with the Standing Orders of Board committees.
   • The MAGG terms of reference will require review again once Court has considered the proposal for Court to relinquish its power to appoint lay members of the Board, as if accepted, this power would fall to the Board of Trustees (and therefore MAGG) thereafter.

1.2 The committee considered and agreed that it fully SUPPORTED Proposal 21 emerging from the Governance Review, which was to conduct a full review of the Terms of Reference of all Board committees, initiated by each Board Committee Chair.

1.3 The committee AGREED that the Chair and Registrar, supported by the Governance team, should undertake a detailed review of the MAGG terms of reference and report back to the Committee.

5 Declaration of interests
5.1 Members of MAGG were reminded of their duty to declare actual and potential conflicts of interest.
5.2 MAGG NOTED that the proposed recruitment process for the appointment of one Alumni Association Trustee would be discussed but not actual applicants. Therefore, it was agreed that it would be appropriate for Mrs Julie Goldstein (Member of the Board of Trustees and Chair of Convocation and the Alumni Association) to remain for the discussion of this item.

5.3 MAGG NOTED that the future Chair of the Finance & Major Projects Committee would be discussed not the actual individual. Therefore it was agreed that it would be appropriate for Dr Andreas Raffel (lay member of the Board of Trustees) to remain for discussion of this item (see paper reference MAGG/18-19/002).

13.2 The committee discussed the merits of co-option, particularly with a view to improving the overall diversity of the Board. Members also considered whether diversity was more
important than the key risks facing the institution and suggested that perhaps this ought to be reflected in the conversation around changes to the Board skills audit.

### 14 Communication & Consultation considerations
