Action: Registrar and University Secretary

8.6 [Subsequent to the meeting the Registrar further discussed the issues raised with the Director of Strategy, Planning and Change and the Planning and Business Intelligence Team and a further response from the University is provided below:

- The University’s new Risk Management Framework is still in the early phases of implementation and as the policy and procedures are put into practice, as expected, the need for further refinement has become clear. A Risk Management Framework Development Plan has been put in place to plan and prioritise these developments.
- [REDACTED: likely to prejudice commercial interests] All risks will be re-scored using the new version of the Impact Scoring Matrix ahead of the report
to the October meeting of Audit & Risk Committee and the November meeting of the Board of Trustees.

- Another aspect of the continuous development of the Risk Management Framework is to establish robust governance and oversight of the Key University Risk Register and the University’s overall risk profile. The recently established University Executive Board (UEB) will have a clear responsibility for the University risk profile and will review the Key University Risk Register ahead of each report to Audit & Risk Committee and the Board of Trustees.

- Finally, the Planning and Business Intelligence Team will continue to work with Risk Owners and Risk Managers as they become more familiar with their roles and responsibilities in terms of the definition, evaluation and management of the University's risks]
