STANDING ORDERS OF SENATE

The powers of Senate are granted by the University Charter and defined by Statute. The competences of the Board of Trustees and Senate on occasion overlap with regard to decisions. In such instances the Chair will decide whether a matter falls within the decision-making competence of Senate. Copies of the relevant Statutes and Ordinance are at Annex A.

Election of Membership
Standing Orders
Class 3 - Academic and other professional post-holders

1. In accordance with Ordinance 6, each of the University Undergraduate Studies Committee and the University Graduate Studies Committee will annually elect one of their number to serve on Senate from 1 August each year. It will be for the Group in each case to decide whether, in circumstances where the Group is already represented on Senate within another category of membership, an additional representative shall be appointed under Class 3. Similarly, the Faculty Managers will annually elect one of their number to serve on Senate from 1 August each year.

Classes 2 and 4 - Heads of school and Academic staff

2. With regard to Class 4 (members of the academic staff), there shall be a total of twelve members of staff from each faculty in Class 2, (heads of school or their nominees), and Class 4 (academic staff) serving on Senate at any one time. The number of members of the academic staff serving on Senate from each faculty shall be calculated by deducting from twelve the number of staff in the faculty serving on Senate in Class 2. In Class 4, members of the academic staff serving on Senate shall be elected by single transferable vote by the academic staff of the faculty, to serve from 1 August for renewable three-year terms, in accordance with procedures formally adopted by the faculty board and approved by Senate.

Class 5 - Students

3. In accordance with Statute 19, one undergraduate student from each Faculty will be elected annually by the undergraduates in the Faculty, and four postgraduate students in total (two taught and two research candidates) elected by the postgraduate community, in each case for renewable one-year terms, subject to a maximum of three consecutive terms.

Meetings

4. In accordance with Statute 20, Senate shall meet at least once each term. Such
meetings shall normally be held at 2.00 p.m. on Monday afternoons on dates to be set in the preceding session. The Vice-Chancellor will take the Chair.

5. The Deputy Vice-Chancellor & Provost previews all business proposed for Senate’s consideration and agrees Senate’s agenda. The Deputy Vice-Chancellor & Provost will agree which Senate agenda items should be ‘starred’ for further discussion at Senate meetings.

6. At the first Senate meeting of each academic year, the provisional senate business schedule (which is compiled by the Governance Team in view of committees’ workplans, regular items of business - including regulatory requirements - and the milestones in the implementation of academic strategy) shall be submitted to Senate for information. This provides transparency regarding the business that can be expected to come before Senate as a matter of routine, and also provides an opportunity for members to consider prospective items for inclusion on future Senate agendas.

7. Mechanisms by which Members can bring ad hoc business to Senate are as follows:

- Members may contact the Clerk with suggestions/requests for future agenda items. A reminder of how to do this will be included on all Senate agendas;
- A Written Question session will be included on the agenda for each meeting of Senate, and questions submitted in writing to the Governance Office two weeks before each Senate meeting at the latest will receive formal answers by University Officers, either in writing or orally at the meeting. The author of a written Question may ask a supplementary question at the meeting, and Senate will be allowed to debate the issue raised.
- The agenda for each meeting will also include a “Vice-Chancellor’s Question Time” item, when the Vice-Chancellor will respond to questions from the floor.

6. At the beginning of every academic year, all Senate members will be asked to select whether they wish to receive their papers in hard copy or electronic format. Core papers (in hard and/or electronic copy) for each meeting of Senate will be circulated no less than one week in advance of each meeting.

7. Reserved business items will be handled exclusively in hard copy.

8. Members of Senate should identify themselves by name and School when first speaking at any meeting of Senate.

9. Divisional Heads of Professional Services and other appropriate members of the University may be invited by the Chair to attend meetings on a non-voting basis, but with a right to speak.

10. The academic staff members of the Board of Trustees shall be invited to attend meetings of Senate during their period of Board of Trustee office, even if they are not members of Senate (see Standing Order 23 below).

11. No business shall be considered by Senate which has not appeared on the agenda
paper for the meeting unless at least two-thirds of the members of Senate present at the meeting shall declare that there is urgency. A motion for urgency shall be decided on without debate. Urgency shall not be declared for any motion to make, amend, extend or aggregate a Standing Order of Senate.

12. A special meeting of Senate may be summoned in accordance with Statute 20, either by the Vice-Chancellor at any time, or on receipt by the Vice-Chancellor or by the Clerk to Senate on the Vice-Chancellor’s behalf, of a written request to do so from no fewer than twenty members of Senate. The written request must state the reason for calling the meeting and set out the nature of the business to be transacted including the wording of any resolution that is proposed.

13. Any such meeting will be summoned on the earliest convenient day, normally in term time. A statement of the reasons for calling the meeting, and the nature of the business to be transacted and the wording of any resolution, shall accompany the notice of summons. No other business, except that so indicated, shall be considered at the special meeting.

14. The Vice-Chancellor may require any member or members of Senate to withdraw from a meeting if, in the view of Senate that member’s behaviour is such as to constitute a serious interference with the orderly conduct of business.

15. The Vice-Chancellor may at any time put a motion to Senate whose effect will be to terminate the item of business under discussion at the time. A motion to this effect shall be decided upon without debate.

16. Where necessary for the good of the University, the Vice-Chancellor may take decisions on the behalf of Senate between meetings (including but not limited to vacation periods). Such decisions will be reported to the next meeting of Senate.

Classification of Papers

17. Senate shall be reminded annually of the policy to restrict use of confidential classifications as far as possible, with the basic assumption that all papers should be open unless there is good reason to the contrary.

18. As far as committee papers are concerned, they fall into three categories:

   a) Open: Papers that can be given general circulation.

   b) Confidential: Matters that should be kept confidential before discussion at the committee for which the papers have been prepared but which could normally be generally available following the meeting.
c) **Strictly Confidential:** Matters that should remain confidential unless specifically released by the Chair of the relevant committee. These will be primarily staffing matters that are commercially confidential and matters of policy where premature disclosure could damage the University’s interest.

Papers should be classified “Open” unless there is a good reason to the contrary. However, the provisions of the Freedom of Information Act could, on occasion, override these internal classifications. While certain categories of information are exempt from the provisions of the Act, (please refer to the University’s Freedom of Information webpage at: [http://www.bristol.ac.uk/foi/](http://www.bristol.ac.uk/foi/) for details), simple classification of whole documents will not ensure exemption. Internal use of the above categories of classification may, however, be a useful indicator of areas which, if subject to FOI access request, should be scrutinised for exemptions.

**Role within Senate of the Pro Vice-Chancellors**

19. The Deputy Vice-Chancellor and other Pro Vice-Chancellors may act for the Vice-Chancellor in his/her absence.

20. The Deputy Vice-Chancellor and other Pro Vice-Chancellors may deputise for the Vice-Chancellor on committees of Senate or joint committees of Senate and the Board of Trustees.

**Secretary/Clerk**

21. A member of the University Governance team will act as the Secretary and Clerk to Senate, in agreement with the Chair.

**Voting**

22. Voting on a motion at the meeting, as distinct from voting in an election, shall be carried out by one of three methods:

   a) Show of hands without counting. A vote on a show of hands shall be counted on the request of any two members present.

   b) Show of hands with counting - in which case the numbers for and against the motion, and the number of abstentions, will be recorded in the minutes of the meeting.

   c) Secret ballot by voting papers if 20 or more Senate members present so vote on a counted show of hands. In exceptional circumstances, the Vice-Chancellor may choose to move to a secret ballot.

   Results of all votes taken shall be recorded in the minutes.

**Reports from the Board of Trustees**

23. A report from the academic staff members of the Board of Trustees shall be received at each meeting of Senate.
Senate and joint Board/Senate Committees and ad hoc Working Groups

24. The Deputy Vice-Chancellor & Provost will approve appointments and re-appointments to Senate and joint Board/Senate committees, on behalf of Senate, and report them to Senate at the next meeting. The Membership Appointments and Governance Group (MAGG) will also approve appointments and re-appointments to joint Board/Senate committees, on behalf of the Board of Trustees.

25. The Deputy Vice-Chancellor & Provost has the authority, delegated to him/her by Senate, to set up ad hoc working group(s) for the purposes of:
   - Shortlisting academic members of the Board of Trustees;
   - Reflecting on Senate’s effectiveness over the preceding year.

Standing Orders

26. Senate’s Standing Orders shall be reviewed annually by the Deputy Vice-Chancellor & Provost.

27. These Standing Orders will be issued to all new members of Senate on appointment.
