Admissions criteria

Academic entry requirements
An upper second-class honours degree (or international equivalent) in law or a degree with an adequate law component. Overseas students with equivalent qualifications should supply a transcript of their examination results (an official English translation if the original is in a language other than English).

Recognised Prior Learning is not currently accepted. Previous or professional experience is not required.

For information on international equivalent qualifications, please see our International Office website.

English language criteria for non-native English speakers
For applicants whose first language is not English, it is necessary to achieve a minimum score in an approved English language test specified in Profile B of the University’s English Language Requirements Policy.

You can find information about the University of Bristol’s Pre-Sessional English courses at the Centre for English Language and Foundation Studies website.

Reference criteria
Applicants should arrange for referees to provide electronic references, which can be submitted through the online application system. Non-electronic references should be on headed paper, with clear contact details and signed by the referee. We require two academic references. Applicants who have previously studied at undergraduate and postgraduate level should provide an academic reference relating to each qualification. Professional references will only be accepted from applicants who are working in the legal field (or related area) and who completed their education more than five years ago.

Personal statement criteria
In your statement, you should describe the reasons for your choice of postgraduate programme and why this is important to you. Please also explain why you are applying to the University of Bristol, why you think you are a suitable candidate for your programme of study, and how your choice of programme fits with your future career plans.

Additional requirements
There are no additional requirements for this programme.

Selection process and offers

Selection process
All applications are considered in accordance with the University’s policy on equality and diversity. The University of Bristol upholds the principles of equality and diversity, respect and dignity. Candidates are not discriminated against on the grounds of race, ethnicity, nationality, gender, sexuality, religion or belief, disability, health or age.
The initial assessment and recommendation is undertaken by the postgraduate admissions team, with the final decision on an application made by the postgraduate admissions tutor. Criteria against which applications will be assessed are: performance in undergraduate degree; English language ability (where applicable); references; personal statement.

Decisions
Applicants will be notified by email when a decision has been made and decision letters will be available to view and print by logging into their application.

An unconditional offer will be made to successful applicants who have already met the conditions and provided evidence that conditions have been met.

Where academic requirements have not yet been met, successful applicants will receive a conditional offer to meet those requirements. The deadline for this is the first day of August prior to the start of the course. If there is a deadline by which applicants must accept their offer of admission, this will be stated in the offer letter.

Deferrals
Applicants are able to defer their place for one year, after which applicants will need to reapply.

Deposits
International self-funded students are required to pay a deposit of £1000. You can pay this deposit online at http://bris.ac.uk/online-payments/deposits using a credit or debit card. Alternatively you can pay through our PaytoStudy account at www.bristol.ac.uk/paytostudy. PaytoStudy is an international payment solution which offers competitive exchange rates. Where PaytoStudy has a local bank account, all wire fee charges will be eliminated and you will be able to pay in your local currency to a local bank account.

The deposit is non-transferable and non-refundable except under the circumstances outlined in the International Deposits Refund Policy which is available at http://www.bris.ac.uk/academicregistry/office/policies/idrp.html. You may pay your deposit in advance of meeting the conditions of your offer. If you subsequently fail to meet the conditions attached to your offer and are therefore rejected from your course on academic grounds then a refund will be made to you. To make the payment you will need your student number which you will find in your offer letter.

ATAS
An ATAS certificate is not required.
