**Interviews**

Interviews are not part of the selection process for this programme.

**Correspondence with applicants**

Applicants will normally receive communication via email to the email address used to set up their application form account. Applicants should ensure that this profile email address is kept up-to-date.

**Admissions criteria**

**Academic entry requirements**

Applicants should possess an upper second-class honours degree (or equivalent).

For information on international equivalent qualifications, please see our [International Office](http://www.bristol.ac.uk/international/) website.

**English language criteria for non-native English speakers**

For applicants whose first language is not English, it is necessary to achieve a minimum score in an approved English language test specified in Profile C of the [University’s English Language Requirements Policy](http://www.bristol.ac.uk/international/).

You can find information about the University of Bristol's Pre-Sessional English courses at the [Centre for English Language and Foundation Studies website](http://www.bristol.ac.uk/international/).

**Reference criteria**

Applicants should arrange for referees to provide electronic references, which can be submitted through the online application system. Non-electronic references should be on headed paper, with clear contact details and signed by the person who wrote it. Referees should be familiar with the applicant’s academic work. Referees should address an applicant’s suitability for the course. While there is no set format, references typically address several of the following: academic achievement and potential for benefiting from and contributing to the course; written and spoken communication skills; ways in which an applicant’s performance does not reflect their ability, including special circumstances.

**Personal statement criteria**

Applicants’ personal statements should demonstrate: interest in and commitment to the subject; evidence of their current understanding of the subject area; an ability to articulate their views coherently; and that the chosen programme is appropriate given their declared interests and aspirations. Personal statements may also be assessed based on what they say about applicants’ non-academic achievements and/or experiences, extracurricular interests, positions of responsibility, voluntary or paid work, etc.

**Additional requirements**

We may ask for a writing sample but do not require one initially.
Selection process and offers

Selection process

All applications are considered in accordance with the University’s policy on equality and diversity. The University of Bristol upholds the principles of equality and diversity, respect and dignity. Candidates are not discriminated against on the grounds of race, ethnicity, nationality, gender, sexuality, religion or belief, disability, health or age.

Each application for the MSc in Environmental Policy and Management is considered by the MSc Course Director. All applications are assessed on individual merit.

Decisions

Applicants will be notified by email when a decision has been made and decision letters will be available to view and print by logging into their application.

An unconditional offer will be made to successful applicants who have already met the conditions and provided evidence that conditions have been met.

Where academic requirements have not yet been met, successful applicants will receive a conditional offer to meet those requirements. The deadline for this is the first day of August prior to the start of the course.

If there is a deadline by which applicants must accept their offer of admission, this will be stated in the offer letter.

Deferrals

Applicants are able to defer their place for one year, after which applicants will need to reapply.

Deposits

International self-funded students are required to pay a deposit of £1000. You can pay this deposit online at http://bris.ac.uk/online-payments/deposits using a credit or debit card. Alternatively you can pay through our PaytoStudy account at www.bristol.ac.uk/paytostudy. PaytoStudy is an international payment solution which offers competitive exchange rates. Where PaytoStudy has a local bank account, all wire fee charges will be eliminated and you will be able to pay in your local currency to a local bank account.

The deposit is non-transferable and non-refundable except under the circumstances outlined in the International Deposits Refund Policy which is available at http://www.bris.ac.uk/academicregistry/office/policies/idrp.html. You may pay your deposit in advance of meeting the conditions of your offer. If you subsequently fail to meet the conditions attached to your offer and are therefore rejected from your course on academic grounds then a refund will be made to you. To make the payment you will need your student number which you will find in your offer letter.

ATAS

An ATAS certificate is not required.
