Application process

Online application
Applicants can only submit one application for programmes based in the School of Economics, Finance and Management (EFM) for each academic year. You will be able to make a first and second choice of EFM programme within your application form. Early application is recommended; the programme will close once full.

Applicants should complete the online application form, uploading all required documents directly into the application form. Guidance on uploading documents can be found in the How to Apply FAQs. Applicants should make every effort to choose the correct programme in the application form by reading the prospectus entry and admissions statements fully. Applicants should contact the relevant Admissions Team if clarification is required.

Application Deadline
There is an application deadline for this programme, which is displayed on the individual programme page within the University course finder.

Required documents
All documents must be translated into English. Degree certificates and transcripts should be certified copies and list subjects taken and grades/degrees achieved. If your degree is not yet complete, please provide transcripts of subjects taken and marks achieved to date. All documents must be uploaded into the online application form unless otherwise noted. Applicants who have already submitted an application can upload additional documents into the 'Post-submission uploads' section. You can find information about how to upload documents to your application form in our How to Apply FAQs.

Required documents for this programme are:

- Two academic references
- Degree certificate(s) from first and subsequent degrees

**Interviews**
Interviews are not part of the selection process.

**Correspondence with applicants**

**Admissions criteria**

**Academic entry requirements**
A good upper second-class honours degree (or equivalent) in any subject. For information on international equivalent qualifications, please see our [International Office](#) website.

**English language criteria for non-native English speakers**
For applicants whose first language is not English, it is necessary to achieve a minimum score in an approved English language test specified in Profile C of the [University's English Language Requirements Policy](#). You can find information about the University of Bristol’s Pre-Sessional English courses at the [Centre for English Language and Foundation Studies website](#).

**Reference criteria**
Applicants should arrange for referees to provide electronic references, which can be submitted through the online application system. Non-electronic references should be on headed paper, with clear contact details and signed by the person who wrote it. Referees should be familiar with the applicant's academic work.

**Personal statement criteria**
A personal statement is not required.

There are no additional requirements for this programme.

**Selection process and offers**

**Selection process**
All applications are considered in accordance with the [University’s policy on equality and diversity](#). The University of Bristol upholds the principles of equality and diversity, respect and dignity. Candidates are not discriminated against on the grounds of race, ethnicity, nationality, gender, sexuality, religion or belief, disability, health or age.

Where an application includes two programme choices, the application will be initially reviewed for the first choice. If unsuccessful with the first choice of programme, the application will normally be automatically considered for the second choice. Applications are reviewed by the admissions team. Applications are assessed primarily on academic merit. Borderline cases are referred to the Programme Director.

**Decisions**
Applicants will be notified by email when a decision has been made and decision letters will be available to view and print by logging into their application.

An unconditional offer will be made to successful applicants who have already met the conditions and provided evidence that conditions have been met.

Where academic or language requirements have not yet been met, successful applicants will receive a conditional offer to meet those requirements.
If there is a deadline by which applicants must accept their offer of admission, this will be stated in the offer letter.

**Deferrals**
Deferrals are not permitted for this programme.

**Deposits**
International self-funded students are required to pay a deposit of £1000. You can pay this deposit online at [http://bris.ac.uk/online-payments/deposits](http://bris.ac.uk/online-payments/deposits) using a credit or debit card. Alternatively you can pay through our PaytoStudy account at www.bristol.ac.uk/paytostudy. PaytoStudy is an international payment solution which offers competitive exchange rates. Where PaytoStudy has a local bank account, all wire fee charges will be eliminated and you will be able to pay in your local currency to a local bank account.

The deposit is non-transferable and non-refundable except under the circumstances outlined in the International Deposits Refund Policy which is available at [http://www.bris.ac.uk/academicregistry/office/policies/idrp.html](http://www.bris.ac.uk/academicregistry/office/policies/idrp.html). You may pay your deposit in advance of meeting the conditions of your offer. If you subsequently fail to meet the conditions attached to your offer and are therefore rejected from your course on academic grounds then a refund will be made to you. To make the payment you will need your student number which you will find in your offer letter.

**ATAS**
An ATAS certificate is not required.
