Admissions cycle
2017

Application process

Online application
Applicants should complete the online application form, uploading all required documents directly into the application form. Guidance on uploading documents can be found in the How to Apply FAQs.

Applicants should make every effort to choose the correct programme in the application form by reading the prospectus entry and admissions statements fully. Applicants should contact the relevant Admissions Team if clarification is required.

Application Deadline
There is an application deadline for this programme, which is displayed on the individual programme page within the University course finder.

Required documents
All documents must be translated into English. Degree certificates and transcripts should be certified copies and list subjects taken and grades/degrees achieved. If your degree is not yet complete, please provide transcripts of subjects taken and marks achieved to date. All documents must be uploaded into the online application form unless otherwise noted. Applicants who have already submitted an application can upload additional documents into the ‘Post-submission uploads’ section. You can find information about how to upload documents to your application form in our How to Apply FAQs.

Required documents for this programme are:

- Two references
- Degree certificate(s) from first and subsequent degrees
• Academic transcript(s) from your first and subsequent degrees
• Personal statement
• English language certificates if English is not your native language and your undergraduate degree was not in an English-speaking country (please see the English Language Requirements list of English-speaking countries)

A research statement is not required.

**Interviews**

We do not normally require applicants to attend an interview. However students have the opportunity to attend one of our regular informal open events if they wish.

**Correspondence with applicants**

Applicants will normally receive communication via email to the email address used to set up their application form account. Applicants should ensure that this profile email address is kept up-to-date.

**Admissions criteria**

**Academic entry requirements**

An upper second-class honours degree in a relevant field (or equivalent), although other academic backgrounds and relevant professional experience will be considered. Offers can be made at Postgraduate Diploma level, with upgrade to MSc on successful completion of all taught components of the programme. Recognised Prior Learning is at the discretion of the programme director and admissions tutor.

For information on international equivalent qualifications, please see our [International Office](#) website.

**English language criteria for non-native English speakers**

For applicants whose first language is not English, it is necessary to achieve a minimum score in an approved English language test specified in Profile E of the [University’s English Language Requirements Policy](#).

You can find information about the University of Bristol’s Pre-Sessional English courses at the [Centre for English Language and Foundation Studies website](#).

**Reference criteria**

Applicants should arrange for referees to provide electronic references, which can be submitted through the online application system. Non-electronic references should be on headed paper, with clear contact details and signed by the person who wrote them. We require two references as part of your application, one of whom must be familiar with the academic work. We recommend you use academic referees, unless you have employment references which are directly relevant to the programme to which you are applying.

**Personal statement criteria**

Personal statements should include a convincing rationale as to why the Nutrition, Physical Activity and Public Health MSc is the right course for you, including how the course content fits with your career/study aspirations. In addition, the personal statement is an opportunity to document how your academic background, experiences (academic and work/practice-based) and relevant and transferable skills support your application to study Nutrition, Physical Activity and Public Health. Such information may include - but is not limited to - the relevant subjects studied, research experience (eg dissertations or papers written), experience of different scientific methods and presentation and interpersonal skills.

**Additional requirements**

There are no additional requirements for this programme.
Selection process and offers

Selection process

All applications are considered in accordance with the University’s policy on equality and diversity. The University of Bristol upholds the principles of equality and diversity, respect and dignity. Candidates are not discriminated against on the grounds of race, ethnicity, nationality, gender, sexuality, religion or belief, disability, health or age.

Applications are processed once the centre has received all relevant documentation including two academic references. Once the application is complete, the admissions tutors will consider academic performance.

Decisions

Applicants will be notified by email when a decision has been made and decision letters will be available to view and print by logging into their application.

An unconditional offer will be made to successful applicants who have already met the conditions and provided evidence that conditions have been met.

Where academic requirements have not yet been met, successful applicants will receive a conditional offer to meet those requirements. The deadline for this is the first day of August prior to the start of the course.

If there is a deadline by which applicants must accept their offer of admission, this will be stated in the offer letter.

Deferrals

Applicants are able to defer their place for one year, after which applicants will need to reapply.

Deposits

International self-funded students are required to pay a deposit of £1000. You can pay this deposit online at http://bris.ac.uk/online-payments/deposits using a credit or debit card. Alternatively you can pay through our PaytoStudy account at www.bristol.ac.uk/paytostudy. PaytoStudy is an international payment solution which offers competitive exchange rates. Where PaytoStudy has a local bank account, all wire fee charges will be eliminated and you will be able to pay in your local currency to a local bank account.

The deposit is non-transferable and non-refundable except under the circumstances outlined in the International Deposits Refund Policy which is available at http://www.bris.ac.uk/academicregistry/office/policies/idrp.html. You may pay your deposit in advance of meeting the conditions of your offer. If you subsequently fail to meet the conditions attached to your offer and are therefore rejected from your course on academic grounds then a refund will be made to you. To make the payment you will need your student number which you will find in your offer letter.

ATAS

An ATAS certificate is not required.
