Admissions criteria

Academic entry requirements
An upper second-class honours degree (or international equivalent). Accreditation of Prior Learning will be considered by the programme director and graduate education director. The maximum credit for which recognised prior learning can be accepted is one third of a programme (ie 60 credit points RPL for a 180-credit-point Master’s programme).

For information on international equivalent qualifications, please see our International Office website.

English language criteria for non-native English speakers
For applicants whose first language is not English, it is necessary to achieve a minimum score in an approved English language test specified in Profile E of the University’s English Language Requirements Policy.

You can find information about the University of Bristol’s Pre-Sessional English courses at the Centre for English Language and Foundation Studies website.

Reference criteria
Applicants should arrange for referees to provide electronic references, which can be submitted through the online application system. Non-electronic references should be on headed paper, with clear contact details and signed by the person who wrote it. We require two references as part of your application, one of whom must be familiar with your academic work. We recommend you use academic referees, unless you have employment references which are directly relevant to the programme to which you are applying.

Personal statement criteria
No criteria specified.

Selection process and offers

Selection process
All applications are considered in accordance with the University’s policy on equality and diversity. The University of Bristol upholds the principles of equality and diversity, respect and dignity. Candidates are not discriminated against on the grounds of race, ethnicity, nationality, gender, sexuality, religion or belief, disability, health or age.

All applications are considered by the Programme Director and the Postgraduate Senior Admissions Administrator. Admissions decisions will take into account the completed application form, personal statement, two references, the English language test score and the verified degree transcript. The MSc in Public Policy Programme Director uses University admissions guidance, such as the admissions principles and procedures for postgraduate taught programmes and Guidelines on the Recognition of Prior Learning. The reasons for an admission decision will be recorded on the application form and students will be informed of the reasons for an admission decision.
Decisions

Applicants will be notified by email when a decision has been made and decision letters will be available to view and print by logging into their application.

An unconditional offer will be made to successful applicants who have already met the conditions and provided evidence that conditions have been met.

Where academic requirements have not yet been met, successful applicants will receive a conditional offer to meet those requirements. The deadline for this is the first day of August prior to the start of the course.

If there is a deadline by which applicants must accept their offer of admission, this will be stated in the offer letter.

Deferrals

Applicants are able to defer their place for one year only in exceptional circumstances. Deferral is subject to the approval of the admissions tutor.

Deposits

International self-funded students are required to pay a deposit of £1000. You can pay this deposit online at http://bris.ac.uk/online-payments/deposits using a credit or debit card. Alternatively you can pay through our PaytoStudy account at www.bristol.ac.uk/paytostudy. PaytoStudy is an international payment solution which offers competitive exchange rates. Where PaytoStudy has a local bank account, all wire fee charges will be eliminated and you will be able to pay in your local currency to a local bank account.

The deposit is non-transferable and non-refundable except under the circumstances outlined in the International Deposits Refund Policy which is available at http://www.bris.ac.uk/academicregistry/office/policies/idrp.html. You may pay your deposit in advance of meeting the conditions of your offer. If you subsequently fail to meet the conditions attached to your offer and are therefore rejected from your course on academic grounds then a refund will be made to you. To make the payment you will need your student number which you will find in your offer letter.

ATAS

An ATAS certificate is not required.
