Admissions cycle
2017

Application process

Online application
Applicants should complete the online application form, uploading all required documents directly into the application form. Guidance on uploading documents can be found in the How to Apply FAQs.

Applicants should make every effort to choose the correct programme in the application form by reading the prospectus entry and admissions statements fully. Applicants should contact the relevant Admissions Team if clarification is required.

Application Deadline
There is an application deadline for this programme, which is displayed on the individual programme page within the University course finder.

Students wishing to apply for CSSS scholarships should already satisfy the English language requirements before they apply. Applications should be received by the end of January.

Required documents
All documents must be translated into English. Degree certificates and transcripts should be certified copies and list subjects taken and grades/degrees achieved. If your degree is not yet complete, please provide
transcripts of subjects taken and marks achieved to date. All documents must be uploaded into the online application form unless otherwise noted. Applicants who have already submitted an application can upload additional documents into the ‘Post-submission uploads’ section. You can find information about how to upload documents to your application form in our How to Apply FAQs.

Required documents for this programme are:

- Two references (at least one academic from a University tutor or lecturer)
- Degree certificate(s) from first and subsequent degrees
- Academic transcript(s) from your first and subsequent degrees
- Personal statement
- English language certificates if English is not your native language and your undergraduate degree was not in an English-speaking country (please see the English Language Requirements for a list of English-speaking countries)

Research statements and research training statements are not required for this programme.

International applicants should indicate whether they require the University to act as a sponsor for the purposes of a visa application

**Interviews**
Candidates are not invited for interview but an informal visit is encouraged.

**Correspondence with applicants**
Applicants will normally receive communication via email to the email address used to set up their application form account. Applicants should ensure that this profile email address is kept up-to-date.

**Admissions criteria**

**Academic entry requirements**
An upper second-class honours degree (or international equivalent) in medicine, biomedical science/clinical science or related subjects, such as biochemistry or microbiology. Lower second-class honours degrees or non-degree qualifications may be considered if proof of relevant laboratory experience and other academic achievement is provided.

For information on international equivalent qualifications, please see our International Office website.

**English language criteria for non-native English speakers**
For applicants whose first language is not English, it is necessary to achieve a minimum score in an approved English language test specified in Profile C of the University’s English Language Requirements Policy.

You can find information about the University of Bristol's Pre-Sessional English courses at the Centre for English Language and Foundation Studies website.

**Reference criteria**
Applicants should arrange for referees to provide electronic references, which can be submitted through the online application system. At least one referee must be familiar with the applicant's academic work.

**Personal statement criteria**
The personal statement should clearly describe any special achievements and interests at degree level. Candidates should give full details of responsibilities during their career demonstrating scientific skills and knowledge relevant to the MSc. The statement is used to determine an applicant’s readiness to study on the course.

**Additional requirements**
There are no additional requirements.
Selection process and offers

Selection process
All applications are considered in accordance with the University’s policy on equality and diversity. The University of Bristol upholds the principles of equality and diversity, respect and dignity. Candidates are not discriminated against on the grounds of race, ethnicity, nationality, gender, sexuality, religion or belief, disability, health or age.

An offer of a place is competitive and is based on:

- Degree transcript
- Completed application form
- Previous experience
- References

These provide a measure of the academic preparedness and potential of the candidate and ability to benefit from the course. Details on the application form, including a full personal statement, contribute to these criteria. Weighting varies according to the background of the applicant.

Decisions
Applicants will be notified by email when a decision has been made and decision letters will be available to view and print by logging into their application. If there is a deadline by which applicants must accept their offer of admission, this will be stated in the offer letter.

Evidence that entry conditions have been met must be supplied prior to registration.

Deferrals
Normally offers are only valid for the academic year stated on the application. Candidates may apply for deferred entry if they are studying English prior to starting the programme.

Deposits
International self-funded students are required to pay a deposit of £1000. You can pay this deposit online at http://bris.ac.uk/online-payments/deposits using a credit or debit card. Alternatively you can pay through our PaytoStudy account at www.bristol.ac.uk/paystudies. PaytoStudy is an international payment solution which offers competitive exchange rates. Where PaytoStudy has a local bank account, all wire fee charges will be eliminated and you will be able to pay in your local currency to a local bank account.

The deposit is non-transferable and non-refundable except under the circumstances outlined in the International Deposits Refund Policy which is available at: http://www.bris.ac.uk/academicregistry/office/policies/idrp.html.

You may pay your deposit in advance of meeting the conditions of your offer. If you subsequently fail to meet the conditions attached to your offer and are therefore rejected from your course on academic grounds then a refund will be made to you. To make the payment you will need your student number which you will find in your offer letter.

ATAS
An ATAS certificate is not required.
