Admissions criteria

Academic requirements
To be considered for admission to this programme, all students are required by the Department for Education to have:

- at least GCSE or 'O' level at grade C or 4 (if taken after summer 2017) or an equivalent overseas qualification in English and Mathematics;
- a degree (with a 2:2 or above) or an equivalent qualification, in a subject relevant to the proposed main teaching subject.

Applicants to the PGCE at Bristol are advised to book their skills tests as soon as they have made their UCAS Teacher Training application and confirm the date of the tests to us. Candidates will be at an advantage if they have passed the tests by the time they are interviewed.

NB: Equivalence tests for GCSEs will only be considered in exceptional circumstances. Such applications will be assessed and reviewed by the subject tutor, programme director and PGCE administration manager.
English language requirements for non-native English speakers

For applicants whose first language is not English, and whose full undergraduate degree was not taught in an English-speaking country, it is necessary to hold/achieve a minimum score in an approved English language test as specified in Profile E of the University’s English Language Requirements Policy.

Applicants do not need to have reached the required level of English language before applying. If necessary, English language will be included as a condition of offer.

Applicants have the option to undertake one of the University’s Pre-sessional English courses. You can find information about the University of Bristol’s Pre-Sessional English courses at the Centre for English Language and Foundation Studies website.

There are no additional requirements for this programme.

Application process

Online application form

Applications should be submitted online at the UCAS Teacher Training website: www.ucas.com/ucas/teachertraining/apply-and-track. UCAS Teacher Training acts as the clearing house for admissions to Initial Teacher Education courses across the UK. Applications are welcome from all graduates and particularly those from groups currently under-represented in the teaching profession. There is a policy of equal opportunities in the selection process and all other aspects of the programme. Applications can be made from November and throughout the year. Universities and colleges will begin to consider candidates from November. Early application is advised in view of the demand for places in most subjects. If a candidate has a specific reason for applying for the course in Bristol it should be given on the application form.

Applicants should make every effort to choose the correct programme in the application form by reading the prospectus entry and admissions statements fully. Applicants should contact the relevant Admissions Team if clarification is required.

The required documents for this programme are listed below. Applications may not be considered until all required documents have been uploaded to the application form.

Selection process
Assessment of applications
All applications are considered in accordance with the University’s policy on equality and diversity. The University of Bristol upholds the principles of equality and diversity, respect and dignity. Candidates are not discriminated against on the grounds of race, ethnicity, nationality, gender, sexuality, religion or belief, disability, health or age.

Once a complete application has been submitted with all required supporting documents, it is considered by academic and professional services staff in the School. All applicants are subject to the entry requirements above. We also pay particular attention to your personal statement.

In some subject areas, we receive a high volume of good quality applications for a small number of places. In these areas, we may need to select applications for offer of admission from a high quality pool using the following criteria:

- Up to date awareness of teaching and learning in the subject
- Interest in and awareness of what working with young people in a school setting entails
- Critical analysis and ability to reflect on own ‘performance’ in work context
- Readiness to work in a professional working environment, including organisation
- Ability to communicate clearly and accurately in written English

Interviews
Interviews are required as part of the selection process.

The purpose of the interview is to assess whether the applicant currently has the necessary skills and capabilities to pursue the chosen postgraduate programme, and whether the programme is appropriate to the applicant’s interests and aspirations.

It is not possible to conduct interviews remotely. All applicants are expected to travel to attend an interview.

All interviews are conducted by two members of staff, at least one of whom is trained in fair and effective recruitment techniques. All interviews are undertaken in accordance with the University's policy on equal opportunities.

Non-standard applications
We welcome applications from those with non-standard qualifications who can demonstrate knowledge, experience and skills developed in the workplace, or elsewhere, relevant to the programme of study. Please use your personal statement to provide further details.

Non-standard applications will be considered by the Admissions Tutor(s) for the programme on a case by case basis.

Decisions
Notification of decisions
Applicants will be notified by email when a decision has been made and decision letters will be available to view and print by logging into the application. If there is a deadline by which applicants must accept an offer of admission, this will be stated in the offer letter.
Offers

Offers will typically be made in line with the academic requirements set out above.

Offers made may be conditional or unconditional. An unconditional offer will be made to successful applicants who have already met the conditions and provided evidence that conditions have been met. Where academic or language requirements have not yet been fulfilled, successful applicants will receive a conditional offer outlining the requirements that must be met.

If an applicant is not selected to receive an offer for the course to which they have originally applied, we may offer the opportunity to be considered for an alternative programme in a related subject area. In such cases applicants will receive an email notification providing any alternative course options and asking whether they wish to be considered for these. It may be necessary for applicants to submit additional documentation in order for the application to be fully considered for an alternative programme. Details of the documentation required can be found in the admissions statement for the relevant programme.

Deferrals

Deferrals are not permitted for this programme. Applicants are encouraged to re-submit their application for consideration following year.
