### Selection process

#### Assessment of applications

All applicants are considered in line with the University’s [Admissions Principles and Procedures Policy](#). Once a complete application has been submitted with all required supporting documents, it is considered by at least two members of staff using the following criteria:

- Performance in undergraduate degree and, if relevant, Masters degree
- English language ability (where applicable)
- References
- Personal statement

#### Interviews

Interviews will form part of the selection process.

The purpose of the interview is to assess whether the applicant has the necessary skills and capabilities to pursue the chosen postgraduate programme, and whether the programme is appropriate to the applicant’s interests and aspirations.

If required, interviewees based overseas will normally be interviewed by telephone or Skype.

#### Decisions

Applicants will be notified by email when a decision has been made and decision letters will be available to view and print by logging into the application. If there is a deadline by which applicants must accept an offer of admission or pay a deposit, this will be stated in the offer letter.

#### Offers

Offers will typically be made in line with the academic requirements set out above.

Offers made may be conditional or unconditional. An unconditional offer will be made to applicants who have already met the conditions and provided evidence that conditions have been met. Where academic or language requirements have not yet been fulfilled, applicants will receive a conditional offer outlining the requirements that must be met.

#### Deferrals

This programme does not normally allow deferrals unless there are exceptional circumstances. Please contact choosebristol-pg@bristol.ac.uk if you would like to discuss the possibility of deferring your start date.

#### Results deadline

Applicants who receive a conditional offer will be required to submit all final results to meet their offer conditions by 15 August for September 2022 entry. Offer holders who will be unable to provide their final results by this date should email fls-pgenquiries@bristol.ac.uk to notify the admissions team as soon as possible.
### Additional information

#### Extenuating circumstances

If your education has been significantly disrupted through health or personal problems, disability or specific difficulties within your studies, you can submit an extenuating circumstances form as part of your application.

The information provided will be treated confidentially and will help us to assess your academic performance fairly considering your circumstances.

#### Academic Technology Approval Scheme (ATAS)

International students and researchers (apart from exempt nationalities) who are subject to UK immigration control will be required to apply for an Academic Technology Approval Scheme (ATAS) certificate to study this programme. For further details see [www.gov.uk/guidance/academic-technology-approval-scheme](http://www.gov.uk/guidance/academic-technology-approval-scheme)

#### Visa

International students coming to the UK to study full-time may need to apply for a student visa. Guidance is available on the [University website](http://www.universitywebsite.com).

### Fees and Deposits

#### Fees

Annual tuition fees are available on the relevant prospectus entry for this programme. Bench fees may apply according to the individual project.

#### Deposits

Deposits are not required for PGR students.

#### Sponsored Students

Sponsored students are not required to pay the deposit but will need to upload a copy of their sponsorship letter to the online application.
